Interest

Interest rate & interest charges for this contract

Annual interest rate:	% fixed for the whole of the Term.
Total interest charges:	\$ (This is the total amount of interest you pay if this Contract runs for the whole Term, and you make all payments on time and comply with the terms of this Contract).
Method of charging interest:	Interest charges are calculated by multiplying the unpaid balance at the end of the day by a daily interest rate. The daily interest rate is calculated by dividing the annual interest rate by 365. Interest is charged to your account at the end of each monthly cycle.

Credit fees and charges

The following credit fees and charges which are not included in the Initial Unpaid Balance are, or could be payable, under this Contract. This Contract allows us to vary these fees and charges.

Fee description	Amount	When payable
Administration fee	\$5.00	This is a monthly fee. This fee amount is not included in the Initial Unpaid Balance, but is included in the regular payment amount listed under the Payments heading.
Processing fee	\$15.00	This fee will be charged for any refunds made due to prepayments of your loan.
Settlement fee	\$125.00	This fee will be charged for processing the early full prepayment.
Loss Recovery Fee	As below	This fee will be charged for losses incurred by CFS Finance due to full prepayment.

Full prepayment Loss Recovery Fee calculation

If you pay the unpaid balance (including interest and other credit fees and charges due) in full before the final payment is due (**Full Prepayment**), you may be required to pay a fee or charge to compensate us for any loss resulting from the full prepayment. The amount you may have to pay us for this loss (**Loss Recovery Fee**) is calculated as follows:

$$\left[a \times \frac{(b - c)}{100} \right] \times \frac{d}{365}$$

Disclosure of fees & charges that could occur throughout the duration of the contract

Where:

- a = the principal sum outstanding at prepayment date;
- b = annual interest rate under this Contract;
- c = Westpac Bank 90 day bank bill rate current at the prepayment date; and
- d = the lesser of: the number of days between the prepayment date and the date the final payment under this Contract is due; or 90 days.

This calculation meets the requirements of the Credit Contracts and Consumer Finance Act 2003. However it is not a statutory procedure prescribed in the Credit Contracts and Consumer Finance Regulations 2004.

What could happen if you don't make your payments on time or fail to meet your commitments

Default interest charges and default fees

If you do not pay us any amount under this Contract when it is due, we will charge you interest at the Default Interest Rate on that amount until it is paid, and you will be charged any applicable default fees.

If you commit any other breach of this Contract you will be charged any applicable default fees.

This Contract allows us to vary these fees and charges.

Default Interest Rate: The annual interest rate plus 5% per annum (**Default Interest Rate**).

Default fees	Amount	When payable
Payment reminder letter fee	\$5.00	This will be charged every time we write to you to remind you of a missed payment.
Late payment fee	\$25.00	This will be charged each time a payment is not received by the due date.
Prepossession fee	\$25.00	This fee is charged once you have missed multiple payments and we write to you to notify you of our intention to repossess the Vehicle.
Repossession fee	\$100.00	This fee is charged as a result of the Vehicle being repossessed.

You will also be charged such other fees we incur with third parties that relate to your default.

Security interest(s)

This is a secured loan. We will have a security interest in the Vehicle to secure your obligations to us under this Contract. If you fail to meet these obligations (including if you give a security interest over the Vehicle to another person), we may repossess and sell the Vehicle. If there is a balance outstanding after we have repossessed and sold the Vehicle, we may apply the net sale proceeds to that remaining balance and if there is still a balance outstanding you must pay that amount to us.

Disabling device

No disabling device is attached to the Vehicle. If (with your agreement) a disabling device is attached to the Vehicle, and if you fail to meet your commitments under this Contract, we have the right to disable the Vehicle (meaning the Vehicle will not be able to be driven). If there is an emergency, and you require use of the Vehicle, you may obtain limited use of it by calling us on 0800 88 2000.

Your right to relief on the grounds of unforeseen hardship

If you are unable to reasonably keep up your payments or other obligations because of illness, injury, loss of employment, the end of a relationship, or other reasonable cause, you can apply to us for a hardship variation.

To apply for a hardship variation, you need to:

- (a) Make an application in writing; and
- (b) Explain your reason(s) for the application; and
- (c) Request one of the following:
 - (i) An extension of the Term (which will reduce the amount of each payment due under this Contract); or
 - (ii) A postponement of the dates on which payments are due under this Contract (specify the period for which you want this to apply); or
 - (iii) Both of the above; and
- (d) Give the application to us.

You should do this as soon as possible, because if you leave it for too long, we may not have to consider your application.

Continuing disclosure

We may be required to provide you with regular statements with information about your loan account. Statements will be provided every six months, at our option, by post, email, through our website or through any application.

Vehicle (as Security)

Make	Model	Year	Reg number	VIN or Chassis number	Colour

Since we have a security interest in the motor vehicle described in the Contract we have a policy of "tracking" the vehicle while there are payments owing to us.

We do this by requiring a tracking unit (Unit) be installed in the vehicle, this having GPS capability enabling us to monitor the vehicle's whereabouts. You agree as follows:-

1. To the Unit being installed in the vehicle for the purposes described above.
2. To pay for the Unit and installation charge. This forms part of the Initial Unpaid Balance.
3. Not to disable or tamper with the Unit while there are still payments due under the Contract.
4. To notify us immediately if the Unit is tampered with or disabled by anyone else.
